

# Individual solutions

As a locally owned company we have the autonomy to offer exceptionally cost effective solutions to your staffing problems.

We appreciate that whilst every school's budget is different, we are confident that we are bespoke enough to tailor a pricing strategy to match yours.

It's always a good idea to have a clear idea of what you are currently paying and what the yearly budget for the school is when we discuss your requirements.

We offer discounts for those schools wishing to opt for the preferred supplier option, or we can offer a flat rate across the board to assist with budgeting.

If you tell us what you are looking for, as an independent agency we are confident that we will have the autonomy to offer a suitable pricing strategy enabling you to save money immediately without compromising the quality of supply staff.

We look forward to speaking with you in more detail about enjoying more cost effective staffing solutions.
