

We have a range of permanent staff on our books.

Sometimes temporary isn't the answer...sometimes you need a permanent addition to your staffing and that's where Principal Resourcing can help.

Principal Resourcing's permanent service can be tailored to each School's individual requirements. It may be that you wish us to advertise on your behalf and submit vetted candidates for interview. It may be that you already have one of our quality supply teachers' in your school and have made the decision that they are the permanent solution to your staffing problem. Whatever it is, we can help.

When it comes to the financials, we offer the choice of an extremely cost effective fee based on the candidate's salary or the option to have the candidate free of charge after the first 14 weeks of the placement. The choice is yours!
